Yes, the Commercial building had a year built of 1998, the house was built in 1925. You would have to ask Planning and Building about zoning, we deal with use.

Subject: Parcel Information Request

[Warning: External Email]

Hi Cammie,

For parcel number RP017900000200, Fiddler's Ridge Farm, would you please send me the following information:

Are there commercial buildings on the parcel? When were they built?
And is there a home/mobile home on the parcel and when were they added?

Did they have to get rezoned for commercial development? And if so, when did that happen?

Thank you.

Linda
