Re: Evidence of Priority Date

Dear Claimant:

RESPONSE DEADLINE
DECEMBER 16, 2005

The Notice of Claim to a Water Right (claim) identified with the number shown above your name has been filed in the Snake River Basin Adjudication (SRBA). The claim indicates your water usage is based on "Beneficial Use" or a "Statutory Claim." Water rights of this type are established by the historic use of water, dating back to when water was first used for the purpose claimed, and are termed beneficial use rights. The date of first use, known as the priority date, has not been confirmed by a License, Decree or Permit. Since the priority date and historic use of a beneficial use right cannot be confirmed by field examination, **proof must be provided by the claimant** supporting the priority date claimed and the historic use of the water.

If you no longer own the property to which the claim is appurtenant please forward this correspondence to the present owner, or return it to Idaho Department of Water Resources (IDWR). If you have received this correspondence from the previous owner of the property it is recommended that you file a Change of Ownership form with IDWR in order to receive future mailings and to participate in the adjudication.

Enclosed you will find a computer printout of your claim and the pamphlet entitled "Evidence of Priority." The pamphlet describes the types of evidence required and suggests which documents will fulfill this requirement.

PLEASE NOTE: IDWR will recommend the SRBA Court decree the claim disallowed if no evidence of the priority date and of the historic use is submitted. It will be to your advantage to provide clear and convincing evidence. If you choose to submit statements from individuals as evidence, the statement should be in the form of a notarized affidavit.

Please submit the required evidence supporting the priority date and the historic use by the date shown above, referencing all documents with the corresponding claim number. If you have questions not covered by this letter or the enclosed pamphlet, please contact me at (208) 287-4917 or by email at Carter.Fritschle@idwr.idaho.gov.

Sincerely,

Carter Fritschle
Water Rights Supervisor
