4. If the water rights and/or adjudication claims were split, how did the division occur?

- ☐ The water rights or claims were divided as specifically identified in a deed, contract, or other conveyance document.
☐ The water rights or claims were divided proportionately based on the portion of their place(s) of use acquired by the new owner.

5. Date you acquired the water rights and/or claims listed above: 10/21/13

6. If the water right described herein has been rented from the Water Supply Bank, rental proceeds will be disbursed in the following manner regardless of any arrangements between the buyer(s) and seller(s) to the contrary:

- Rental payments will go to the lessor(s) of record at the beginning of the rental season.
- If a change in ownership is processed by the Department during a rental season, rental payment will be made to the person or entity who is the lessor of record at the beginning of that rental season.
- New lessor(s) of record will receive payment after the following rental season.

7. This form must be signed and submitted with the following **REQUIRED** items:

- A copy of the conveyance document – warranty deed, quitclaim deed, court decree, contract of sale, etc. The conveyance document must include a legal description of the property or description of the water right(s) if no land is conveyed.
- Plat map, survey map or aerial photograph which clearly shows the place of use and point of diversion for each water right and/or claim listed above (if necessary to clarify division of water rights or complex property descriptions).
- Filing fee (see instructions for further explanation):
 - \$25 per undivided water right.
 - \$100 per split water right.
 - No fee is required for pending adjudication claims.
