Dear Mr. Iverson,

This e-mail is a follow-up to a voice mail I left at (360) 301-2401 on February 6, 2020. IDWR has tried to contact you to help clear up an question with the ownership on claim 95-772.

In short, IDWR feels that it could be to your benefit to clarify the ownership on the water right 95-772. More specifically, the questions is who is the "ET AL", in the "ROBERT IVERSON ET AL"

I have attached a letter sent by IDWR on December 13, 2019, that more fully explains the question. In the letter we asked that you respond by January 15, 2020. At this time we haven't heard back from you so I thought I would call and send you an e-mail just in case the letter we sent did not reach you. Please respond to myself or the Coeur D'Alene office of IDWR by **February 21, 2020**.

Respectfully,

Re: Change in Water Right Ownership 95-772

Dear Mr. Iverson:

As I'm sure you're aware, the court is in the process of granting Partial Decrees for Basin 95, Part 1, of the Coeur D Alene- Spokane River Basin Adjudication (CSRBA).

When you filed your original claim with us back on June 9th, 2009, you put the owner as "Robert Iverson Et Al". In order to clear up confusion for the court as to who the "Et Al" refers to, we will need a list of the individual(s) included in the Et Al. The easiest way to do that would be for you to fill out a Change in Water Right Ownership form, which I have included for your convenience. Please list yourself and any individual(s) covered under the Et Al from your original claim on #3 of the Change of Ownership form and return it to our office no later than **January 15, 2020**.

On #7 of the Change in Water Right Ownership form, the only thing we would need is a conveyance document listing all names you provided on #3. We do not require any type of map for this situation.

I'm sorry for the inconvenience this may have caused you, and if you have any questions, please feel free to call our office.

Sincerely,

A handwritten signature in blue ink that reads "Dawn R. Lenon".
