Subject: POD shape for 95-14895
Attachments: 20200211074216.pdf

The state office is licensing permit 95-17912. There is an adjudication right, 95-14895, same owner, that shares the same well. I received confirmation of where the well was located from the permit holder. I have attached a map with the correct location of the POD. Please update your POD shape. Thank you.
