

AMENDED DIRECTOR'S REPORT

Subcase No. 95-772

In Re CSRBA

Twin Falls County Civil Case No. 49576

Report to the CSRBA District Court

Prepared by the Idaho Department of Water Resources
Gary Spackman, Director
Shelley Keen, Water Allocation Bureau Chief

December 11, 2019

DESCRIPTIVE SUMMARY

This is an Amended Director's Report submitted by the Director of the Idaho Department of Water Resources (IDWR).

DISCUSSION

On August 2, 2018, IDWR filed a Director's Report for Robert Iverson, et al.'s Water Right No. 95-772, for domestic purposes. No objections or responses have been filed, and the response deadlines have passed.

IDWR has identified an inadvertent error in the Director's Report in the Period of Use section of the Purpose and Period of Use element. The original recommendation shows the period of use from 1/1 to 12/30. In order for this water right to reflect the season of use previously decreed in Twin Lakes Adjudication, the period of use needs to be changed to **03/15** to **11/15**.

The Director submits for filing with the Court an Amended Director's Report for the aforementioned subcase (see attached recommendation).

SHELLEY KEEN
Water Allocation Bureau Chief
