Hello,

Thank you for the follow up. The second well is a replacement of the first well, which is no longer in use. I hope this helps.

Best,

Good afternoon,

I am emailing you in regards to the Notice of Claim to a Water Right filed for two wells at 1086 Nearing Rd, Moscow ID. I have a question regarding the wells. Are both wells being used, or is the second well a replacement and the older well is no longer used? Please email or call me at your earliest convenience. Below is my contact information.

Thank you,

Christopher Holmes
