RE: Palouse River Basin Adjudication (PRBA) Notice of Claim to a Water Right Number 87-10384

Dear Mr. Roberts:

We're in the process of recommending the above claim for decree in the PRBA. During this review several questions came up relating to the well and place of use locations. Consequently, I've enclosed a map of your property and ask that you show where the well is and where the water usage is occurring.

I've enclosed a copy of your claim. If the well or home is located in a different legal description than originally claimed, you will need to amend the claim. To do so, all you need do is cross out the old information under items 4 and 9, and write in the correct quarter, quarter, i.e. from the NW1/4SW1/4 (3) to the SW1/4SW1/4 (4), T39N, R5W, Section 30. Since this is a legal document, be sure to initial and date any changes that you make and re-sign the claim under item 15.

Please return this information, to my attention, by **March 16, 2020**. Be sure to contact me if you have any questions. I can be reached at (208) 762-2800 or by email at linda.werner@idwr.idaho.gov.

Sincerely,

Linda A. Werner
Senior Water Resource Agent
