RESPONSE DEADLINE
DATE: APRIL 10, 2020

Dear claimants,

Idaho Department of Water Resources (IDWR) has received your water right adjudication claim number 87-11312. However, IDWR is unable to process your claim due to missing information.

Enclosed is your Notice of Claim to a Water Right. I have highlighted the numbers that require your attention.

- #15: Please sign and date the document.

I also looked through your claim and had one question. Would you be able to provide evidence that the well is being used? Examples of evidence include the Residential Property Record, building expense records for the home, Occupancy Record, or electrical utility statement for the property.

After you have completed the required information and provided evidence, please mail it back to my attention at 7600 N. Mineral Drive Suite 100, Coeur d'Alene ID 83815. If you do not return the completed Notice of Claim to IDWR, your claim will be rejected.

If you have any questions, feel free to contact me. My telephone number is (208) 762-2810 and my email is christopher.holmes@idwr.idaho.gov.

Sincerely,

Christopher Holmes
Water Resource Agent
