RE Water rights 87-11315, 87-11316, & 87-11318

The above mentioned claims were filed under the name of NOWACK FARMS, LLC, but were signed as NOWACK FARM, LLC. The same claimant also filed for a permit (87-11360) but it was under the name of NOWACK FARM, LLC. Even though the above claims and ArcGIS shows the plural version, the Secretary of State website shows the only existence is the version with no "s" after FARM. Per direction from Carter Fritschle, and as per the Secretary of State website, we removed the plural version on the contact record on all the above claims.
