RESPONSE DEADLINE
DATE: APRIL 20, 2020

Dear Ms. Jones,

Idaho Department of Water Resources (IDWR) has received your water right adjudication claim number 87-11312. However, IDWR is unable to process your claim due to missing information.

The Place of Use was left blank on the Claim Form. Enclosed is a map of the area where you claimed your well. Would you please mark with an X the approximate location of the well drilled in 2010, as well as circle the home that you are claiming. This map will be used to complete the missing information on your claim. If this map is in the wrong area and does not show the well/home location, please call me.

After you have marked the well and home location on the map, please mail it back to my attention at 7600 N. Mineral Drive Suite 100, Coeur d'Alene ID 83815. If you do not return the completed Notice of Claim to IDWR, your claim will be rejected due to missing information.

If you have any questions, feel free to contact me. My telephone number is (208) 762-2810 and my email is christopher.holmes@idwr.idaho.gov.

Sincerely,

Christopher Holmes
Water Resource Agent
