SUBJECT: Palouse River Basin Adjudication Claim (PRBA) No. 87-11431

Dear Mr. Remacle,

In regards to our phone conversation on 3/25/2020, enclosed is your Amended Notice of Claim to a Water Right. Below are comments on what is amended on the claim as well as further instructions for you. Everything on the amended claim is the same as the original claim except these highlighted sections:

- #2, Date of Priority: Changed it from 12/15/2016 to 2/26/1897 based on the homestead date of the property that we discussed.
 - #4 and #9, Point of Diversion/Place of Use: Corrected the legal description and inserted the parcel number to accurately define the property.
 - #13, Remarks: Stated use began at the time the property was homesteaded.
- **#15, Red Arrow, Signature:** Both you and Melinda Remacle sign and date the document.

By amending your claim, you are more accurately representing when domestic use from a well began on the property.

Review the claim for accuracy. If there are any additional changes you would like to make, cross out the incorrect information, replace it with the correct information and initial next to it. I sent a copy of your original Notice of Claim for reference and your own records.

I also provided a map with this letter. With an X, please mark the approximate well location. I appreciate you doing this because it makes my job easier.

Please mail the completed Amended Notice of Claim and Map back to my attention at 7600 N. Mineral Drive Suite 100, Coeur d'Alene ID 83815. If you have any questions, feel free to contact me. My telephone number is (208) 762-2810 and my email is christopher.holmes@idwr.idaho.gov.

Sincerely,

Christopher Holmes
Water Resource Agent
