NAME OF PARTY

Nellie Drage (Gordon Drage-deceased)

Mrs Drage said they normally irrigated the pasture 2 days ^{each} ~~per~~ week. She has been unable to irrigate this season. She had a neighbor help last year and plans to rent this small pasture to someone who will irrigate it in the future.

Her Deed says her property gets 10" of water. She pays her assessment to the Buckeye Ditch Co.

Water is delivered from a headgate in the Buckeye Ditch by a buried pipe to the Southeast corner of the property.

Irrigated from Friday night to Sunday Night

Correct numbering of rights

DATE 3-19-92

NAME OF PARTY

CLIFF Jensen

Cliff came in to clarify some water right claim numbers for Brad Gisler.

While here he related some information that I feel needs reviewed and considered.

Cliff pointed out that the A36-00034C + D claims are based on a decree from the Bell ditch, but are actually Diverted in the Buckeye ditch.

Upon initial check - this appears correct.

May need to renumber some of these rights.

The possible correct number would be A36-00035A.
