SUBJECT: Palouse River Basin Adjudication Claim (PRBA) No. 87-11382

Dear Mr. Greene,

In regards to our phone conversation on 3/31/2020, enclosed is your Amended Notice of Claim to a Water Right. Below are comments on what is amended on the claim. Everything on the Amended Claim is the same as the original claim except these highlighted sections:

- #6, Period of Use: Changed it to year round use and changed the amount to represent the approximate cubic feet per second (cfs) your well produces.
- #7, Total Quantity: Changed it to match #6.

Below are further instructions required from you.

- **#15, Red Arrow, Signature:** Both you and Patricia Greene please sign and date the document.

By amending your claim, you are claiming year round use from the well that produces approximately 10 gallons per minute.

Review the claim for accuracy. If there are any additional changes you would like to make, cross out the incorrect information, replace it with the correct information and initial next to it. I will send you a copy of your original Notice of Claim for reference.

Please mail the completed Amended Notice of Claim back to my attention at 7600 N. Mineral Drive Suite 100, Coeur d'Alene ID 83815. If you have any questions, feel free to contact me. My telephone number is (208) 762-2810 and my email is christopher.holmes@idwr.idaho.gov.

Sincerely,

Christopher Holmes
