☒ This water right should not exist.

E. REASONS SUPPORTING OBJECTION(S): Water use was abandoned.
if any use is granted it should be restricted for 1 trailer by the well
which has a legal septic tank. All other use is not historical and is an
excessive expansion of water use. All other use is the result of
illegal extension with out plumbing permit and results in illegal
gray water dumping which Kerry has a 20 year history of doing.
illegal use does not constitute any precedent. granting this water
right without any restrictions
essentially sanctions illegal
behavior and exacerbates
the crime.
