RE: SRBA Claim(s) 36-41E

Dear Claimant:

Please find the enclosed copy of the Notice of Completed Administrative Proceeding, which the department has filed with the SRBA Court regarding the above referenced claims. You have received this notice pursuant to SRBA Court Administrative Order 11 requiring IDWR to report to the court and interested parties any pending changes to adjudication claims in basins for which a Director's Report has been filed with the court.

Please contact this office if you have any questions about the notice or the administrative process.

Sincerely,

Trish Fawcett
Technical Records Specialist

Subject: NCAPs on 36-41E & 36-2665 (unrelated rights)

Hello people--

The court has inquired on these rights, requesting NCAPs. Both 36-41E & 36-2665 only have one entry on the courts summary sheets--a substitution of party (1995 for 2665, 1996 for 41E). Before the issuance of the SOU Director's Report, the rights were split. The children rights were all reported in the SOU Director's Report.

The court is now requesting NCAPs for these rights dealing with the remaining elements because the Court never received them at the time (although there is evidence the claimants tried to inform the court). The court has been issuing nunc pro tunc orders on split rights that had a previously decreed parent right but the parent hasn't been decreed on these two, so the Court must decree the kids. Anyone see any problems on doing this??

Nick: The 41E has came up a few weeks ago when Ted wanted to decree the parent with a npt order and send a copy of that to the current owners--boks like the court changed its mind more to your way of thinking.

Brent,

This claim was split out via a change of ownership just before the Director's report was filed in 1992. The season of use was overlooked somehow and shows up as 4/01 - 10/31 instead of 3/15 - 11/15.

This note is just to notify the file and IDWR of the situation.

I double checked the actual report and found 36-00041E and 36-00041F both were reported at the shorter season. Part E is being split by change of ownership and I am correcting the season in the R-record. However, part F remains at the shorter season and needs to be corrected.

Do we need to do more to change this for part E? for part F?

Part E is split into parts G and H.

CC: to all files.

Let me know if you have any questions.
