SUBJECT: Palouse River Basin Adjudication Claim (PRBA) No. 87-11363

Dear Ms. Morovics,

In regards to our phone conversation on 4/16/2020, enclosed is your Amended Notice of Claim to a Water Right. Below are comments on what is amended on the claim. Everything on the Amended Claim is the same as the original claim except these highlighted sections:

- #2, Priority Date: Changed it to 2008 based on the year built date on the property.
- #4, Location of point of diversion: Corrected the legal description for the well location and added the parcel number.
- #9, Location of place of use: Corrected the legal description for the home and added the parcel number.
- #13, Remarks: Stated that the priority date is for when the home was completed.

Below are further instructions required from you.

- **#15, Red Arrow, Signature:** Please sign and date the document.

By amending your claim, you are more accurately reflecting when domestic use for a home has been occurring from a well on the property and correcting the well and house location.

Review the claim for accuracy. If there are any additional changes you would like to make, cross out the incorrect information, replace it with the correct information and initial next to it. I will send you a copy of your original Notice of Claim for reference.

Please mail the completed Amended Notice of Claim back to my attention at 7600 N. Mineral Drive Suite 100, Coeur d'Alene ID 83815. If you have any questions, feel free to contact me. My telephone number is (208) 762-2810 and my email is christopher.holmes@idwr.idaho.gov.

Sincerely,

Christopher Holmes
