Hello, I am working toward recommending your claims 87-2026 and 87-10585 and have a few questions. The attached map shows your parcel and what we currently have as the claimed places of use. Claim 87-2026 is for irrigation and 87-10585 for domestic. Using the map would you please outline the 3 acres irrigated from the South Fork of the Palouse River. If you irrigate up to a ½ acre from your domestic well would you also identify that ½ acre? Would you also please locate where you divert from the river?

Thank you for your help with this process.
