RE: Notice of Claim to a Water Right

Dear Mr. and Mrs. Adler,

In regards to our phone conversation on Wednesday, May 20th, enclosed is a Notice of Claim to a Water Right for instream stockwater use from Deep Creek.

This claim is identical to claim 87-10959 which was submitted online except for these highlighted sections:

- #5: Description adding it is for instream stock watering.
- #6 and 7: Stockwater use of .02 cfs instead of .09 cfs. Instream stockwater use is statutorily limited to a maximum of .02 cfs.
- #12: Added claim 87-10959 as a description for other water rights on the property.

Please review the information on the form for accuracy. If there are any errors, cross out the incorrect information, replace it with the correct information and initial. There are a couple of items that you need to complete:

- #15: Please sign and date the document.
- Map: I attached a map of your property. In pen or marker, outline Deep Creek to ensure accuracy while data entry and processing of your claim.
- Fee: Enclose a \$25.00 check payable to Idaho Department of Water Resources.

I also enclosed a copy of the online claim 87-10959 for reference and your records. The claim and fee may be returned to 7600 N. Mineral Drive Suite 100, Coeur d'Alene ID 83815. If you have any questions, feel free to contact me. My phone number is (208) 762-2810 and my email is christopher.holmes@idwr.idaho.gov.

Sincerely,

Christopher Holmes
