To whom it may concern,

Here is a statement of the history for the land that we reside on.

David and Gayle Rossebo moved a single wide mobile home onto property of Levi and Alice Rossebo in 1976. We have maintained a residence on this property ever since. At this time we ran a water line from the "home" well to our home. This is our only source of water for our home.

Sincerely,

Gayle Rossebo

Good afternoon,

I am emailing you in regards to our phone conversation we had this afternoon. If you would please send me a written statement describing the history of the home/property that you told me, I will include it as evidence for your water right claim. If you have any questions, feel free to contact me.

Sincerely,

Christopher Holmes
