Dear Mr. Deatley,

In regards to our phone conversation on 5/28/2020, enclosed is your Amended Notice of Claim to a Water Right. Below are comments on what is amended on the claim. Everything on the Amended Claim is the same as the original claim except these highlighted sections:

- #4, Point of Diversion: Added the parcel number for the property at 1001 Joyce Road.
- #9, Place of Use: Completed the legal description and added the parcel number matching the point of diversion location.

Below are further instructions required from you:

By amending your claim, you are more accurately reflecting when domestic use from a well began on the property. If you do not complete the amended claim form, your claim will not be accurate/complete and may be recommended as disallowed.

Review the claim for accuracy. If there are any additional changes you would like to make, cross out the incorrect information, replace it with the correct information and initial next to it. I will send you a copy of your original Notice of Claim for reference.
