SUBJECT: Palouse River Basin Adjudication Claim (PRBA) No. 87-11534

Dear Mr. Clyde,

In regards to our phone conversation on 5/28/2020, enclosed is your Amended Notice of Claim to a Water Right. Below are comments on what is amended on the claim. Everything on the Amended Claim is the same as the original claim except these highlighted sections:

- #2, Priority Date: Changed the date from 11/3/2017 to 1998 when the home was built.
- #4, Point of Diversion: Corrected the legal description for the well location on parcel RPM00000192850.
- #6/7, Quantity: Changed it from .02 cfs to .04 cfs to match quantity on claim 87-11533 which was for this well.
- #13, Remarks: Stated the priority date is from the year the home was built.

Below are further instructions required from you:

- **#15, Yellow Arrow, Signature:** Please sign and date the document.
- **Map:** Mark with an X the well location.

By amending your claim, you are more accurately reflecting when domestic use began on the property and the well location. If you do not complete the amended claim form, your claim will not be accurate and may be recommended as disallowed.

Review the claim for accuracy. If there are any additional changes you would like to make, cross out the incorrect information, replace it with the correct information and initial next to it. I will send you a copy of your original Notice of Claim for reference.

Please mail the completed Amended Notice of Claim and map back to my attention at 7600 N. Mineral Drive Suite 100, Coeur d'Alene ID 83815. If you have any questions, feel free to contact me. My telephone number is (208) 762-2810 and my email is christopher.holmes@idwr.idaho.gov.
