Dear Mr. Bartlett:

In regard to our phone conversation of Friday, May 29, 2020; which we discussed the filing of your older home on claim 87-4006 as filed by Alvin Bartlett - enclosed is a copy of that claim.

Please note that the claim was originally filed for domestic, stockwater and irrigation usage for one acre. Is one acre being irrigated or would ½ acre of lawn irrigation more accurately reflect the usage?

Please review the claim for accuracy, complete item 8, sign and date under item 14, and return the claim, map and \$25.00 to my attention by **June 16, 2020**, to the address listed above.

Note: If you are irrigating one acre, the fee would be \$51.00 rather than \$25.00. This escaped my attention during our phone conversation and I apologize that I didn't mention it to you at that time.

Be sure to contact me if you have any questions. I can be reached at (208) 762-2800 or by email at linda.werner@idwr.idaho.gov.

Sincerely,

Dawn K. Larson For Linda Werner
