Dear Mrs. Masters,

As per our phone conversation today, I am sending you a Notice of Claim to a Water Right form, which can be utilized to claim water right 87-7007, which relates to your property (Parcel no. RP39N05W302106) as well as the two neighbors also sharing the same well (Parcel Nos. RP39N05W301216 & RP39N05W301776). Based upon our phone conversation as well as previously filed documents in the backfile for water right 87-7007, I have prepared the claim form for you. A map is also included, on which you will need to indicate where the claimed water use is taking place and the approximate location of the shared well. If you make any changes to the prepared claim form, be sure to initial those changes before submission. After your review, please return the signed claim form along with any supporting evidence and the required \$56.00 filing fee to our office at the address listed above.

Please do not hesitate to contact our office if you have any questions or concerns. We can be reached by phone during business hours at 208-762-2800.

Best Regards,

Evan W. Roda
Water Rights Supervisor
