RE: Water Right 96-9196

Dear Mary,

I am responding to your letter dated June 4, 2020 regarding the meetings you attended last year about the pending adjudication in the Clark Fork-Pend Oreille River Basin and how you should proceed with your existing water right.

At this time, there is nothing for you to do since we have not yet commenced the Clark Fork-Pend Oreille River Basin Adjudication. When we do begin this adjudication, we will be sending notices to all property owners with instructions on how to proceed to file a claim for their water rights. Your water right 96-9196 is a licensed water right, and unless you sell the property associated with this right, you will receive a commencement notice from us when we begin this process. At this time we do not have a specific date, but are hoping to begin this adjudication in 2021.

If you have any further questions, please feel free to contact our office.

Sincerely,

Lori Harris
