

To Whom It May Concern,

My name is Gordon Sylte and I was born and raised here at 8626 West Sylte Ranch Rd on the Sylte Ranch. I am 79 years old and am speaking with regards to the building of my mom and dad's house here on the ranch.

My dad came to Idaho in 1933 to later the following year purchase the old Post place and build his house after which time he returned to South Dakota for my Mom.

The water system that serviced the old Post place as well as his new house was a hand dug well into the hill side in the mountain side. It served then all the dwellings on the ranch as it now does my son John L. Sylte.

We are lucky to have such good water and to have been able to use it for such a long time.

We are lucky to have such good water and to have been able to use it for such a long time.

A handwritten signature in cursive script that reads "Gordon Sylte". The ink is dark and the signature is fluid, with a long, sweeping tail on the final letter.
