Please submit the original claim forms, and the three new applications as soon as possible so these forms can be processed.

If you have any questions, please contact this office.

At 1:45 p.m. I called stake president John Stevenson at 436-0969 to ask if the three wells associated with the three rights listed are interconnected. Mr. Stevenson indicated that when the sprinkler system was put in (1973 ~~was~~ according to our files) all three wells were interconnected in such a way that water from any of the wells could be run on any part of the farm.
