SUBJECT: Palouse River Basin Adjudication Claim (PRBA) No. 87-11674

Dear Ms. Fiscus,

In regards to our phone conversation on 7/20/2020, enclosed is an Amended Notice of Claim to a Water Right. Below are comments on what is amended on the claim. Everything on the Amended Claim is the same as the original claim except these highlighted sections:

- #1, Name of Claimant: Changed it to the landowner's name. See below paragraph.
- #2, Priority Date: Changed it from 5/17/2010 to 1981.
- #4, Point of Diversion: Corrected the legal description of the well.
- #5, Description of Works: Stated it is a shared well with 87-11671.
- #9, Place of Use Location: Corrected the legal description of the home.
- #13, Remarks: Stated the priority date evidence. Also gave a brief explanation as to why the name of the claimant changed.

The claimant name is changed to Kim Cochrane because she is the owner of the land that the home is on. Because of this, it is appropriate for the claim to be under her name. If you have any questions about this, give me a call and I'd be happy to talk to you about it more.

Below are further instructions required from you:

- **#15, Yellow Arrow, Signature: Please have Kim Cochrane sign and date the document.**

By amending the claim, you are more accurately reflecting the usage occurring on the property. If you do not complete the amended claim form, your claim will not be accurate/complete and may be recommended as disallowed.

Review the claim for accuracy. If there are any additional changes you would like to make, cross out the incorrect information, replace it with the correct information and initial next to it. I will send you a copy of your original Notice of Claim for reference.

Please mail the completed Amended Notice of Claim back to my attention at 7600 N. Mineral Drive Suite 100, Coeur d'Alene ID 83815. If you have any questions, feel free to contact me. My telephone number is (208) 762-2810 and my email is [christopher.holmes@idwr.idaho.gov](mailto:christopher.holmes@idwr.idaho.gov).

Sincerely,

Christopher Holmes  
Water Resource Agent
