SUBJECT: Notice of Claim (Claim) to a Water Right 95-710

Dear Ms. Cooper:

In regard to our phone conversation of Thursday, February 28, 2019, enclosed is the following information regarding water right claim number 95-710:

1. Notice of Claim to a Water Right 95-710
2. Copy of right 95-710 as decreed in the Twin Lakes Adjudication
3. Two Maps
4. Motion to File a Late Notice of Claim

Notice of Claim to a Water Right 95-710

Please review the claim form for accuracy and make any necessary changes by crossing out the incorrect information and inserting the correct information. Items 5 and 8 will also need to be completed. I have enclosed two maps; the Kootenai county map illustrates your parcel while the aerial map shows your parcel as well as a larger view of the area. A map should be returned with the claim showing where the diversion point is located as well as where the water is used.

Motion to File Late Notice of Claim (SF 4)

The claims for the area in which you are located have been reported to the Adjudication Court. Consequently, you will need to complete a Motion to File a Late Notice of Claim (SF 4) with the Court. The claim, supporting documents (map) and a \$25.00 filing fee need to be submitted to the Court. You'll find the filing directions on the SF 4.

Change of Ownership

The change of ownership documents you submitted to the Department are unnecessary with an initial claim filing. These documents will be returned to you under separate cover, and we have requested a refund of the \$25.00 ownership change fee; which you should be receiving shortly.

I have enclosed a lot of information so please feel free to contact me if you have any questions. I can be reached at (208) 762-2800 or by email at linda.werner@idwr.idaho.gov.

Sincerely,

A handwritten signature in black ink that reads "Linda Werner". The script is cursive and fluid, with the first name "Linda" being more prominent than the last name "Werner".
