RE: Amended SRBA Claims A37-07205 & A37-07279

Dear Mr. & Mrs. Hooper,

Enclosed are the two amended claims we discussed at our meeting at my office on March 11, 1999. I have added the two points of diversion to each claim. I do not believe the Permissible Place of Use (PPU) is appropriate in this situation due to the different ownership's of the parcels involved; as we discussed.

Please review the claims and if this is correct as printed, sign the claims with Notary Public and return the claims to our office as soon as possible. The amendments will not be effective until the signed documents are returned to IDWR. One of your children will have to sign the second claim A37-07279. No additional fees are due for this amendment.

Feel free to contact me at our office if you have further questions.

Sincerely,

STEVE CLELLAND
Sr. Water Resource Agent
