RE: Place of Use

Dear Claimants:

On July 11, 2019, you submitted Notice of Claim to a Water Right (Claim) 87-7085. Your Claim is based on license 87-7085. The licensed place of use is Township 39 North, Range 5 West, Section 5, NWNW. That is also the place of use on your claim. I have reviewed the claim, along with imagery and the Latah County parcel data. It appears that your property, parcel number RP39N05W053320, also falls within the SWNW quarter quarter. It is our goal to recommend historical water rights within the Palouse River Basin as accurately as possible. I have enclosed an amended claim and a map showing the amended place of use. If you agree, please sign the amended claim and return it to me in the enclosed envelope by August 18, 2020. There is no fee for this change.

If you have questions please contact me at 208.287.4881 or sandra.thiel@idwr.idaho.gov.

Sincerely,

A handwritten signature in black ink that reads "Sandra Thiel". The signature is written in a cursive, flowing style.

Sandra Thiel
Sr. Water Resource Agent
