SUBJECT: Palouse River Basin Adjudication (PRBA) Claim No. 87-11961

Dear claimants,

Idaho Department of Water Resources (IDWR) has received your water right adjudication claim number 87-11961. After reviewing your claim, I wanted to bring something to your attention.

Priority Date, number 2: After reviewing department resources, I found that there is a year built date on your parcel that dates back to 1915. You claimed a priority date of January 1, 2010 based on when the well was drilled. The priority date is based on when water from a well was first used on the property for domestic purposes. If a well was used to supply the home before 2010, you can amend your claim to reflect this. However, you do not have to amend your claim.

If you would like to amend your claim or you have any questions, please contact me with your claim number readily available. My telephone number is (208) 762-2810 and my email is christopher.holmes@idwr.idaho.gov.

Sincerely,

Christopher Holmes
Water Resource Agent
