RE: Snake River Basin Adjudication
Claim #A36-02215 - Gooding County

Dear Mr. and Mrs. Becker:

I have been reviewing the claims which we have received from you and I need to clarify your claims before I can continue with processing. As I mentioned to Mrs. Becker, this may also be confusing to you, so try to bear with me and we will get it worked out.

Initially, when you submitted a claim for domestic and stockwater uses, you described the domestic use as "one household and two acres". I notified you that there was a licensed right on those acres and you may wish to file a claim based on that license.

You forwarded a new claim, replacing the initial claim, and submitted an additional \$27 for the irrigation of 2 acres in addition to the domestic and stockwater uses.

I now find that you had already filed a separate claim based on the entire 240 acres of the licensed right. My confusion seems to lie with whether you have one or two wells. The licensed right for the irrigation of 240 acres from one well has been processed and is on file.

Based on my quick conversation with Mrs. Becker, the domestic well, if used for stockwater and domestic (which can include up to 1/2 acres of irrigation), was correctly filed initially. It appears that the two acres you mentioned are probably covered by the claim based on the licensed right.

RE:

First, a domestic claim w/ 2 acres ~~initiated~~^{in #9} was received; it was processed (A36-11163, C004186-\$25). A letter was written notifying them that a licensed right did exist for the 2 acres (License 36-02215).

3-28-89

Beckers filed a long form w/ 2 acres and \$27⁰⁰ (C006064)

7-18-89

Computer shows A36-02215 in the name of Becker, w/ S002267 in the amt of \$290⁰⁰. This would be fees for entire licensed right.

7-18-89

Out mail message to verify that A36-02215 exists in the files at Southern Region. If so, continue with letter to find out if there are 2 wells.

CLAIMANT'S NAME: BeckerDATE: 9-27-89EMPLOYEE: HelenRE: Error

I original reviewed a claim on slit form. They mentioned 2 acres in addition to the domestic/stock use. I located a recorded right for 240 acres (36-2215). I sent them a letter telling them that 2 acres may be a part of that right. They responded by filing for portion of 36-2215. Forwarded additional fee (\$27) to cover irrigation.

They had already filed on all 240 acres as A36-2215 @ Southern Region.

We need to refund the \$27⁰⁰ and return the version of claim for 36-2215

However, the computer record appears messed up. I have a feeling I erroneously changed the correct A36-02215 which had been filed @ Southern Region. 9/27 Mail message to Judy to please send me copy of claim in file so I can correct the computer info.

MEMORANDUM

TO: Don Shaff *DS*
FROM: Helen Harrington
SUBJECT: Reapplication of fees to corrected claim
DATE: March 29, 1989

I reviewed a claim which was for domestic and stockwater. In Item 9, they listed "domestic and two acres". I researched the place of use and located a license for the property. The fee for the initial claim was receipted (\$25.00).

Since the claim was acceptable, I processed the claim (A36-11163). However, I wrote them a letter telling them that the domestic use was limited to 1/2 acre of irrigation and that I had located a license which may be appurtenant and they may wish to claim that license.

They have submitted a new claim, based on the license. (They didn't quite do it right, i.e., they still haven't listed irrigation specifically, however, they are listing 2 acres.)

Any how, they have sent (and we have receipted) \$27.00.

My questions is what to do with the original claim. Shall I delete out the information, "Z" the status, ~~x9999999~~ and put a comment in the remarks explaining that the claim is now based on the license? I didn't specifically say that the original \$25 could be applied to the new claim, however, I can't see any reason why not. Can you???

No

claim combined with A36-02215.

Thank you,

Helen

RE: Mr. Becker and I spoke on the phone on 10-31 and have finally clarified his claims. Two claims are filed -

A36-11163 for domestic/stock. his claim said "two acres", but this is not irrigation

A36-02215 for irrigation of 240 acres.

I initially thought A36-11163 should claim a portion of A36-2215 for 2 acres. I therefore asked him for \$27 addl fee. He forwarded that (see CO06064) fee. At the time, I was unaware that he had claimed A36-2215 for 240 acres.

He now needs to be refunded the \$27⁰⁰ (CO06064) since he has covered that irrigation under A36-02215

also, I modified the place of use on A36-2215 to show $W\frac{1}{2}$ of $SE\frac{1}{4}$ rather than $E\frac{1}{2}$ of $SE\frac{1}{4}$ which had been shown. I questioned him on the phone because the point of diversion ($NE\frac{1}{4}$ $NW\frac{1}{4}$ $SE\frac{1}{4}$) did not appear to be on his land. The claim has been modified and copy sent to Dr. Becker.

RE: Snake River Basin Adjudication
Notices of Claim A36-02215 and A36-11163
Gooding County

Dear Dr. and Mrs. Becker:

I appreciate the patience you have shown in working with me to straighten out your Gooding County claims. It is difficult to describe the property over the phone to someone who has never seen the land; you've done an excellent job of bringing me around to a clear picture! Thanks.

I am enclosing a copy of the two claims which have been processed and filed in the adjudication. These copies are for your files. I am also enclosing the original copy of the claim filed on March 28, 1989 based on License 36-02215 for domestic, stockwater and 2 acres; since these acres are covered under your filing on August 15, 1988 for the entire 240 acres, this claim can be withdrawn. I am initiating a refund for the \$27.00 which I requested from you when I believed that you only needed to claim a portion of 36-02215.

As we discussed on the phone, I have modified the place of use (Item 10). I have changed the place of use to show the west half of the southeast quarter, rather than the east half as previously shown. Please verify this description; if it is not correct, please let me know.

At this point, you do not need to take any action. The withdrawal of the claim is accomplished by retaining the claim and not resubmitting it.

On a separate issue, I am enclosing a copy of the claims which Mr. Peterson filed and you asked about yesterday. These copies are for your information; if you have any questions about them, you may wish to contact the Twin Falls office of IDWR.

RE: SRBA Claim(s) 36-02215, 36-10449

Dear Claimant:

Please find the enclosed copy of the Notice of Completed Administrative Proceeding which the department has filed with the SRBA Court regarding adjudication claim 36-02215. You have received this notice pursuant to SRBA Court Administrative Order 11 requiring IDWR to report to the court and interested parties any pending changes to adjudication claims in basins for which a Director's Report has been filed with the court.

Since the legal description on adjudication claim 36-10449 does not match the legal description on the quitclaim deed from Karan, ownership was **not** changed to you. However, after reviewing all other claims in yours and Karan's names, it appears the legal description on claim 36-11163 does match the quitclaim deed. I am enclosing profile reports of both 36-10449 and 36-11163 for your reference. If you wish to list ownership of 36-11163 in your name, please replace the number 10449 with 11163 on the enclosed original ownership change form, initial the change, and return it to me. Once I have received the corrected ownership change form, I will then make the change in ownership.

Please contact this office if you have any questions about the notice or the administrative process.

Sincerely,

Trish Fawcett
Technical Records Specialist

Dear Claimants,

IDWR has been notified by the Post Office the address presently in our claim records is incorrect. Although we have reached you at the address above, we need you to confirm this is your correct mailing address. Future notices related to your SRBA claim can be sent only to the address on your claim or as otherwise changed by you. The staff of this agency must avoid relying upon the word of others about your mailing address.

If the address above is correct, please sign your name at the bottom of this letter, and return it to this office. Otherwise, please make the proper corrections, sign, and return this letter. That action will suffice to change our records, but not those of the SRBA court. SRBA Judge Hurlbutt issued an Order June 17, 1993 requiring claimants like yourself identified in a Director's Report to use Standard Form 3 for change of address. I have enclosed Standard Form 3 for your use. Please contact us or the Court (208/736-3011) if you have any questions.

Thank you for your help. We hope to assure you receive future notices about SRBA matters.

Sincerely,

Adjudication Bureau Staff

Standard Form 3 shall not operate to excuse compliance with the statutory requirements of I.C. § 42-1409(7) where a water right recommendation is not before the court.

As used in this form, the term "prior claimant/seller" means any person who, pursuant to I.C. § 42-1409(2), (3) and (6), filed a notice of claim asserting the right to the use of water or on whose behalf the right to the use of water was asserted.
