RE: SRBA Claims A36-02230A & A36-10091

Dear Claimant:

Pursuant to the notification that you presently own the property inwhich the above referenced adjudication claims are appurtenant, the Department has changed the record of the current owner as you requested. Please find enclosed copies of the computer records for the claims noting the change in claimant. Please review the records and if you have any corrections please contact this office.

Sincerely,

Allen Merritt, P.E.
Water Rights Supervisor

CONTRACT OF SALE

THIS AGREEMENT entered the 18th day of January, 1990, by and between CHARLES CECIL TERRY and DONNA B. TERRY, husband and wife, hereinafter known as Seller, and BLINCOE FARMS, INC., an Idaho corporation, hereinafter known as Buyer,

W I T N E S S E T H:

The parties mutually agree as follows:

1. The Seller agrees to sell and the Buyer agrees to buy the following described real and personal property in Lincoln County, Idaho, more particularly described as follows:

Real Property:

TOWNSHIP 7 SOUTH, RANGE 23 EAST BOISE MERIDIAN, LINCOLN COUNTY, IDAHO

Section 33: W $\frac{1}{2}$

Together with appurtenances and Idaho Department of Water Resources licenses #A36-02230A (irrigation) and A36-10091 (domestic).

Personal Property:

One - 250 h.p. U.S. Electric Vertical Electric Motor, SN# 1021950

One - Layne & Bowler Vertical Deep Well Turbine Pump, SN# 29984

One - 75 h.p. U.S. Electric Horizontal Electric Motor, SN# C5460-00-593

One - Pacific Horizontal Booster Pump, SN# 2ARP-554

Together with all wiring, switch panels, column, shafting, tubing, bowls, suction pipe cones, valves, etc., used in conjunction with or pertaining to the above listed pumps and motors.

Six - 1320' Thunderbird Side Roller Wheel lines (complete)

Two - 1320' 3" portable aluminum hand lines

Eight - 1320' portable aluminum hand lines with 22 four inch sections and 10 three inch sections

Approximately - 5300' Buried steel mainline with risers

Together with all valves, reducers, sprinkler heads, etc., used in conjunction with or pertaining to the above listed wheel lines, hand lines and mainline.

The equipment is sold "as is, where is" without representation or warranty other than Seller's warranty of title to said personal property.

2. The sale price shall be the sum of Four Hundred Twenty Thousand and no/100 Dollars (\$420,000.00). The sum of \$100,000 shall be paid upon execution of this agreement. The unpaid balance of \$320,000 together with interest at 12% per annum from the date of this agreement shall be paid as follows:

(a) \$16,000 shall be paid on or before June 25, 1990, \$16,000 shall be paid on or before December 26, 1990, and the unpaid balance shall be paid on January 15, 1991 by the assumption by the Buyer of the Seller's Promissory Note and Real Estate Mortgage in favor of the Travelers Insurance Company on which there will be an unpaid balance of \$238,664.52 plus accruing interest from January 1, 1991 and by payment of the balance in cash on January 15, 1991. All payments shall be applied first to accrued interest with the balance being applied to principal. Prepayment is not permitted under the terms of this agreement.

(b) The Buyer shall assume the obligation of the Seller to Travelers Insurance Company on January 15, 1991 with the knowledge that the obligation bears an interest rate of 12% per annum; that it is payable in semi-annual installments of \$15,860 each; that the Real Estate Mortgage which was executed by the Seller on September 24, 1985 contains a substantial prepayment penalty which could equal or exceed 20% of the outstanding principal balance of the obligation, and that the loan has a balloon payment of \$223,421.14 plus interest on July 1, 1995. A copy of the amortization schedule for said loan is attached hereto and incorporated herein by reference as Exhibit "A." The Seller warrants that the January 1, 1990 installment has been paid, and that Seller will pay the July 1, 1990 and January 1, 1991 installments from the June 25, 1990 and December 26, 1990 installments paid by the Buyer to the Seller. After January 1, 1991, but before January 15, 1991, the Buyer will execute a written assumption agreement agreeing to assume, pay and discharge the obligation of the Seller to the Travelers Insurance Company and hold the Seller harmless therefrom. The assumption agreement shall provide that Seller shall be entitled to recover any expenses, costs or attorney fees which Seller may incur by reason of Buyer's failure to perform the obligations which are assumed.

3. The Seller shall pay all real property taxes for 1989 and prior years prior to delinquency. The Buyer shall pay and discharge all real property for January 1990 and subsequent years prior to delinquency. The Buyer shall have possession of the property from and after the execution of this agreement with the exception of the house and outbuildings which the Seller shall be entitled to retain until December 31, 1990. The Seller shall maintain the home and outbuildings in good condition during the period of Seller's possession and shall surrender the same in a neat, clean and orderly condition on or before December 31, 1990. The Seller shall not be required to pay rent during the period of Seller's occupancy.

4. The Seller's beet acreage with Amalgamated Sugar Company, which is presently 154 acres, shall be transferred to Buyer to the extent the parties to this agreement are capable of effecting said assignment. Said transfer shall be subject to the approval of the Amalgamated Sugar Company.

5. Upon execution of this agreement, the Seller shall execute a warranty deed conveying good and marketable title to said property to the Buyer free and clear of any liens except the

Real Estate Mortgage in favor of Travelers Insurance Company. The warranty deed, together with a copy of this contract, shall be placed in escrow at Land Title & Escrow, Inc., at Burley, Idaho. A copy of this contract may be recorded by either of the parties after the execution of the agreement and payment of the down payment. The warranty deed will be delivered by Land Title & Escrow, Inc., to the Buyer when the January 15, 1991 payment has been made and the Buyer has executed an agreement to assume the Travelers Insurance mortgage obligation of the Seller on the terms and conditions set forth above. Said assumption agreement shall be deposited with the escrowholder and shall be delivered by the escrowholder to the Seller with the January 15, 1991 payment. The Seller shall retain title to the real and personal property until Buyer has performed all of Buyer's obligations under this agreement except payment of the Travelers mortgage. If Buyer fails to perform any obligation under this agreement within 30 days after Seller has given Buyer a written notice of default specifying the matters in default, Buyer shall forfeit Buyer's interest in the property, and Seller shall be entitled to retain all proceeds. This remedy shall be in addition to any other remedy at law or equity. The June 25, 1990, December 26, 1990 and January 15, 1991 payments shall be paid through the escrow at Land Title & Escrow, Inc. The Buyer shall make direct payments to Travelers Insurance Company beginning with the July 1, 1991 payment and continuing through the payment of the balloon payment on July 1, 1995.

6. The Seller shall retain a security interest in the irrigation equipment until Buyer has paid the January 15, 1991 payment. The Buyer shall execute a UCC-1 Financing Statement to be filed with the Secretary of State for Idaho as evidence of Seller's retained security interest in said irrigation equipment. Said security interest shall be released when Buyer has paid the January 15, 1991 payment and has assumed the Travelers mortgage.

7. The parties acknowledge and agree that the Seller's satellite dish, fuel tanks, furniture, appliances and shop tools and supplies shall remain the personal property of the Seller and not included in the sale.

8. Seller warrants that Seller has filed claims for water rights which are appurtenant to the property in the Snake River Adjudication and has paid the fees for such filings. Said claims shall be assigned by the Seller to the Buyer at closing.

9. Closing of this transaction shall take place at Land Title & Escrow, Inc., at Burley, Idaho, on or before January 19, 1990. The parties shall share equally the cost of preparation of the documents, the initial escrow fees and the recording fees. The Seller shall provide the Buyer with title insurance for the sum of \$400,000 at the time of closing at the Seller's expense. The title insurance shall show no exceptions other than the Real Estate Mortgage in favor of Travelers Insurance Company, accruing real property taxes for 1990 and easements which are apparent upon visual inspection and easements of record.

10. If any party is required to bring legal action to enforce the terms and conditions of this obligation, said party shall be entitled to recover reasonable costs and attorney fees in addition to any other relief obtained by said party. This provision shall remain in full force and effect until each party has fully performed all of said party's obligations under this agreement.

IN WITNESS WHEREOF, the parties hereto have set their hands the day and year first above written.

BOISE, IDAHO 83706

RECEIVED
OCT 11 1991

Department of Water Resources

DEAR SIR:

IN REGARDS TO WATER PERMIT NO. A36-04060, A36-04059, AND A36-04057. THIS LAND WAS ALL ORIGINALLY WATERED BY GRAVITY IRRIGATION. IN 1979, 1980 AND 1981 THE IRRIGATION WAS CHANGED FROM GRAVITY TO SPRINKLER. WHEN IT WAS CHANGED TO SPRINKLER ADDITIONAL LAND OVER AND ABOVE PERMIT WAS PUT UNDER IRRIGATION.

ENCLOSED IS THE VERIFICATION OF UPGRADING OF THE EXISTING PUMPS TO PRESSURIZE BOWLES. LICENSE NO. A36-04057 WOULD BE INVOICE NO. 1, NO. A36-04060 IS INVOICE NO. 2 AND NO. A36-04059 IS NO.3.

PERMIT A36-02230A WHICH IS A DEEP WELL AND PUMP, AND A36-02354 WHICH WAS A WASTE WATER RE-LIFT PUMP. IN REGARD TO A36-02354 WHICH IS A RE-LIFT PUMP THAT PRESSURIZED DRAINAGE WATER FROM LAND OF HIGHER ELEVATION THAT DERIVED FROM THE GROUND WATER BEING PUMPED AND WASTED FROM N. 1/2 SECTION 32 ALL OF SECTION 29 ALL OF SECTION 28 E 1/2 SECTION 20. OF TOWNSHIP 7 SOUTH, RANGE 23.

SOMETIME IN THE LATE 1960'S EARLY 1970'S THE FARMS IN THOSE PARTICULAR SECTIONS WERE CONVERTED OVER TO SPRINKLER IRRIGATION. THEREFORE THE WASTE WATER DISCONTINUED TO FLOW SO LICENSE NO. A36-02230A WAS UPGRADED TO ACCOMODATE THE LOSS OF WASTE WATER, BUT THIS WATER WOULD STILL BE COMING FROM THE SAME SOURCE AS THE WASTE WATER PREVIOUSLY USED.

THE PROPERTY THAT WE ARE DISCUSSING WAS FIRST PURCHASED 2 YEARS AGO BY BLINCOE FARMS, INC. I, RICHARD D. BLINCOE, HAVE BEEN FARMING IN THE SAME VACINITY ALL THE YEARS PERTAINING TO THESE PERMITS WERE BEING OPERATED AND HAVE WATCHED ALL THE CHANGES MADE. SO I FEEL A36-02354 SHOULD BE TRANSFERRED OVER AND INCLUDED IN A36-02230A WITH PRIORITY DATE JUNE 10, 1958.

MR. BURKE SHCOELER HAS RESEARCHED THESE PERMITS AND LAND, IF YOU HAVE ANY QUESTIONS YOU MIGHT CONTACT MR. SHCOELER.

YOURS TRULY,

Richard D. Blincoe

PUMP EFFICIENCY TEST RESULTS

District Rupert Date October 5, 1982 Acct.# 1956-001194-1 *
 Customer Cecil Terry Pump Identification Sta. 153 250hp &
75hp
 Pump Test Team Del Pinkston & Dick Wentworth

Thank you for participating in the pump efficiency test program. Cost effective changes that reduce your costs and require less power from Idaho Power Company at a critical time of the year are expected to result from these measurements.

The results of the efficiency test and your record of the measurements are as follows:

Test #1 - Both pumps operating 14 laterals.

Date of Test September 7, 1982

Pumping Plant Efficiency 64.2 % Combined effic. of both pumps

Water Level Measurements:

Ground to well water _____ feet with pump off

Ground to well water 236 feet with pump on

Pressure Measurements:

81 psi at location of gage at 75hp discharge

40 psi at location of gage at 250hp discharge

_____ psi at location of gage _____

(TDH) Total Dynamic Head - total of ground to well water and pressure

423 feet

Flow & Power Measurements 2332 gpm at 423 ft TDH at 358 Hp

_____ gpm at _____ ft TDH at _____ Hp

_____ gpm at _____ ft TDH at _____ Hp

Comments and Evaluation of the test result and measurements:

The individual performances of the pumps when operating together are shown on the back of this sheet. The crew noted that 14 sprinkler laterals were operated and normally 16 laterals operate. The efficiency is probably slightly higher with the 16 lines.

over

signed

Agricultural Engineer

After changes are made to increase the pump efficiency or reduce kilowatt hour usage, one free efficiency test will be conducted to assure the customer that savings are occurring.
