RE: Change in ownership of SRBA Claims A37-02549, A37-02550, A37-07370 and A37-07634 (Graves to Nafziger)

Dear Janet:

Our office has reviewed the change in ownership request you recently submitted to our office. Keeping in mind the difference between a Snake River Basin Adjudication Claim and a Water Right License, we have reviewed the ownership documents you provided and wish to point out the following:

Graves filed the four above referenced claims which were claimed as being used to irrigate 576 acres in Sections 7 & 18, T6S, R14E. These claims are based on licenses which were originally licensed for other lands than were claimed. (Please find enclosed copies of proof reports of these four SRBA claims and proof reports of the original licenses inwhich these claims are based.)

The land in Section 19, T6S, R14E which is presently showing a portion of License 37-02549 covering 18 acres in the N1/2NW1/4 is not covered by any of the above referenced SRBA claims. Actually we have no record of any SRBA claim covering these lands.

Since the documents thus far submitted contradict each other our office is holding your change of ownership request without action until the situation is resolved.

If you have questions please feel free to contact me at my office.

Sincerely,

Allen Merritt, P.E.
Water Rights Supervisor
