MEMORANDUM

To: Allen Merritt
From: Helen Harrington-Thornton *HLT*
Date: March 26, 1993
Subject: "Bad Address List"

=====

A request was recently made by Judge Hurlbutt for a list of addresses of all claimants in the SRBA. When that list was prepared, several claims showed up with errors in the address. Attached is a portion of that list that is pertinent to Southern Region.

It would appear that at least a few of these are "original" owners that were accidentally left on the claim without a change in ownership code. However, since we may have a claim listing these names, we will need to have the correct claimant amend the claim to correct the records. However, I am forwarding these to the region rather than taking care of them myself because the original claim file will need to be checked to confirm what is actually on the claim. If we are lucky, the problem is a data entry error rather than a claimant error (i.e., the claim is handwritten and is correct, but the data entry neglected to changed the owner code).

I believe that if the error is NOT a data entry error, we will need to have the claimant amend the claim to correct the problem.

I haven't heard that there is any deadline for these corrections, but you might check with Carter or Don if you have any questions.
