These Amended and Restated Articles of Incorporation of Sunrise Organic Farms, Inc., which include amendments, correctly set forth the provisions of the corporation's Articles of Incorporation, as amended, and supersede the corporation's original Articles of Incorporation and all amendments thereto. These Amended and Restated Articles of Incorporation were recommended by the board of directors and approved by the shareholders of the corporation on May 14, 1997. The number of votes cast for such Amended and Restated Articles of Incorporation by each voting group entitled to vote separately on the amendment was sufficient for approval by that voting group.

FIRST: The name of the corporation is Horizon Organic Dairy, Idaho Farm, Inc.

SECOND: The corporation shall have and may exercise all of the rights, powers and privileges now or hereafter conferred upon corporations organized under the laws of Colorado. In addition, the corporation may do everything necessary, suitable or proper for the accomplishment of any of its corporate purposes. The corporation may conduct part or all of its business in any part of Colorado, the United States or the world and may hold, purchase, mortgage, lease and convey real and personal property in any of such places.

THIRD: (a) The aggregate number of shares which the corporation shall have authority to issue is 10,000,000 shares of common stock. The shares of this class of common

stock shall have unlimited voting rights and shall constitute the sole voting group of the corporation, except to the extent any additional voting group or groups may hereafter be established in accordance with the Colorado Business Corporation Act. The shares of this class shall also be entitled to receive the net assets of the corporation upon dissolution.

(b) Each shareholder of record shall have one vote for each share of stock standing in his name on the books of the corporation and entitled to vote, except that in the election of directors, each shareholder shall have as many votes for each share held by him as there are directors to be elected and for whose election the shareholder has a right to vote. Cumulative voting shall not be permitted in the election of directors or otherwise.

(c) Unless otherwise ordered by a court of competent jurisdiction, at all meetings of shareholders one-third of the shares of a voting group entitled to vote at such meeting, represented in person or by proxy, shall constitute a quorum of that voting group.

FOURTH: The number of directors of the corporation shall be fixed by the bylaws, or if the bylaws fail to fix such a number, then by resolution adopted from time to time by the board of directors, provided that the number of directors shall not be less than one nor more than nine.

FIFTH: The street address of the registered office of the corporation is 370 17th Street, Suite 5350, Denver, Colorado 80202. The name of the registered agent of the corporation at such address is Lee F. Sachnoff.

SIXTH: The address of the principal office of the corporation is 7490 Clubhouse Rd., Suite 103, Boulder, Colorado 80301.

SEVENTH: The following provisions are inserted for the management of the business and for the conduct of the affairs of the corporation, and the same are in furtherance of and not in limitation or exclusion of the powers conferred by law.

(d) Conflicting Interest Transactions. As used in this paragraph, "conflicting interest transaction" means any of the following: (i) a loan or other assistance by the corporation to a director of the corporation or to an entity in which a director of the corporation is a director or officer or has a financial interest; (ii) a guaranty by the corporation of an obligation of a director of the corporation or of an obligation of an entity in which a director of the corporation is a director or officer or has a financial interest; or (iii) a contract or transaction between the corporation and a director of the corporation or between the corporation and an entity in which a director of the corporation is a director or officer or has a financial interest. No conflicting interest transaction shall be void or voidable, be enjoined, be set aside, or give rise to an award of damages or other sanctions in a proceeding by a shareholder or by or in the right of the corporation, solely because the conflicting interest transaction involves a director of the corporation or an entity in which a director of the corporation is a director or officer or has a financial interest, or solely because the director is present at or participates in the meeting of the corporation's board of directors or of the committee of the board of directors which authorizes, approves or ratifies a conflicting interest transaction, or solely because the director's vote is counted for such purpose if: (A) the material facts as to the director's relationship or interest and as to the conflicting interest transaction are disclosed or are known to the board of directors or the committee, and the board of directors or committee in good faith authorizes, approves or ratifies the conflicting interest transaction by the affirmative vote of a majority of the disinterested

directors, even though the disinterested directors are less than a quorum; or (B) the material facts as to the director's relationship or interest and as to the conflicting interest transaction are disclosed or are known to the shareholders entitled to vote thereon, and the conflicting interest transaction is specifically authorized, approved or ratified in good faith by a vote of the shareholders; or (C) a conflicting interest transaction is fair as to the corporation as of the time it is authorized, approved or ratified by the board of directors, a committee thereof, or the shareholders. Common or interested directors may be counted in determining the presence of a quorum at a meeting of the board of directors or of a committee which authorizes, approves or ratifies the conflicting interest transaction.

(e) Loans and Guaranties for the Benefit of Directors. Neither the board of directors nor any committee thereof shall authorize a loan by the corporation to a director of the corporation or to an entity in which a director of the corporation is a director or officer or has a financial interest, or a guaranty by the corporation of an obligation of a director of the corporation or of an obligation of an entity in which a director of the corporation is a director or officer or has a financial interest, until at least ten days after written notice of the proposed authorization of the loan or guaranty has been given to the shareholders who would be entitled to vote thereon if the issue of the loan or guaranty were submitted to a vote of the shareholders. The requirements of this paragraph (b) are in addition to, and not in substitution for, the provisions of paragraph (a) of Article SEVENTH.

(f) Indemnification. The corporation shall indemnify, to the maximum extent permitted by law, any person who is or was a director, officer, agent, fiduciary or employee of the corporation against any claim, liability or expense arising against or incurred by

such person made party to a proceeding because he is or was a director, officer, agent, fiduciary or employee of the corporation or because he is or was serving another entity as a director, officer, partner, trustee, employee, fiduciary or agent at the corporation's request. The corporation shall further have the authority to the maximum extent permitted by law to purchase and maintain insurance providing such indemnification.

(g) Limitation on Director's Liability. No director of this corporation shall have any personal liability for monetary damages to the corporation or its shareholders for breach of his fiduciary duty as a director, except that this provision shall not eliminate or limit the personal liability of a director to the corporation or its shareholders for monetary damages for: (i) any breach of the director's duty of loyalty to the corporation or its shareholders; (ii) acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law; (iii) voting for or assenting to a distribution in violation of Colorado Revised Statutes § 7-106-401 or the articles of incorporation if it is established that the director did not perform his duties in compliance with Colorado Revised Statutes § 7-108-401, provided that the personal liability of a director in this circumstance shall be limited to the amount of the distribution which exceeds what could have been distributed without violation of Colorado Revised Statutes § 7-106-401 or the articles of incorporation; or (iv) any transaction from which the director directly or indirectly derives an improper personal benefit. Nothing contained herein will be construed to deprive any director of his right to all defenses ordinarily available to a director nor will anything herein be construed to deprive any director of any right he may have for contribution from any other director or other person.

(h) Negation of Equitable Interests in Shares or Rights. Unless a person is recognized as a shareholder through procedures established by the corporation pursuant to Colorado Revised Statutes § 7-107-204 or any similar law, the corporation shall be entitled to treat the registered holder of any shares of the corporation as the owner thereof for all purposes permitted by the Colorado Business Corporation Act, including without limitation all rights deriving from such shares, and the corporation shall not be bound to recognize any equitable or other claim to, or interest in, such shares or rights deriving from such shares on the part of any other person including without limitation, a purchaser, assignee or transferee of such shares, unless and until such other person becomes the registered holder of such shares or is recognized as such, whether or not the corporation shall have either actual or constructive notice of the claimed interest of such other person. By way of example and not of limitation, until such other person has become the registered holder of such shares or is recognized pursuant to Colorado Revised Statutes §7-107-204 or any similar applicable law, he shall not be entitled: (i) to receive notice of the meetings of the shareholders; (ii) to vote at such meetings; (iii) to examine a list of the shareholders; (iv) to be paid dividends or other distributions payable to shareholders; or (v) to own, enjoy and exercise any other rights deriving from such shares against the corporation. Nothing contained herein will be construed to deprive any beneficial shareholder, as defined in Colorado Revised Statutes § 7-113-101(1), of any right he may have pursuant to Article 113 of the Colorado Business Corporation Act or any subsequent law.

EIGHTH: These Amended and Restated Articles of Incorporation shall become effective on the date that they are filed with the Colorado Secretary of State.

Dear Mr. Brown:

Regretfully and apologetically, I must admit a very long time has passed since you notified this agency by letter your company has a security interest in Aurora Farms, Inc. (Aurora). Although staff in this office acknowledged receipt of your letter, I do not want some information about the water right claims you may not know to go unstated.

In 1992 prior to your interest in this matter, a Director's Report of these water right claims was submitted to the Court. This action moved these claims out of the sole arena of IDWR. Receiving notice about these water right claims with absolute certainty requires more than giving IDWR notice.

The Court requires a party who acquires an interest in a piece of property with water rights within the area of a Director's Report to give notice to the Court of such interest. By becoming a substituting party with the Standard Form 3 (SF3), you would assure you receive notice relative to these water right claims.

IDWR's records are not used after a Director's Report is filed for the purpose of sending notice to claimants about Court activities on specific sub-cases. For broad basin-wide matters, IDWR's records have been used by order of the Court for sending notices in the past.

of

Dear Mr. Spackman:

The Mutual Life Insurance Company of New York (MONY) has closed a loan transaction with Aurora Farms, Inc. In connection with said loan transaction, MONY has mortgaged certain real estate owned by Aurora Farms, Inc., and taken a security interest in the water rights appurtenant to and used in connection with said real property.

It is my understanding that State of Idaho Department of Water Resources now has all water rights on a computer system and that a notice of MONY's security interest will be entered into that system. For your use, I now enclose duplicate copies of the legal descriptions for the real property encumbered by MONY's mortgage and the water rights appurtenant thereto. It is my understanding that one copy will be dated the day that you receive it and returned to me to acknowledge receipt, and that the second copy will be retained by your department for your file.

The lienholder's name and address to be registered in you system and used for all required notifications and correspondence is as follows:

The Mutual Life Insurance Company of New York

Copy to:
The Mutual Life Insurance Company of New York

Upon receipt of this letter I request that you return one copy of the legal description and appurtenant water rights with your date stamp attached for our records. If there is anything further you require to register MONY's lienholder's interest in these water rights please contact me at your earliest convenience.

Thank you for your cooperation and assistance in this regard.
