RE: Snake River Basin Adjudication (SRBA) Claim No. 37-10327

Dear Claimants:

I am reviewing the claim referenced above, and I believe you are entitled to a priority date earlier than the date shown on your notice of claim. Idaho Department of Water Resource records indicate the water use you are claiming was original licensed as part of water right number 37-2544.

For your convenience, I have prepared an amended claim for you to review that would change the claimed priority date from December 31, 1971 to February 2, 1954. If you wish to amend your claim, please sign the amended claim form, have your signature notarized, and return it to my attention at this office. If you wish make changes to any of the other elements of this claim, you may mark those changes on the amended claim form. However, you must initial any other changes you make to the claim form.

In addition to the amended claim, I have enclosed a copy of the original SRBA notice of claim you filed, a copy of water right license no. 37-2544, and what is called a GIS Layout map identifying the claimed Points of Diversion (yellow dots labeled POD) and claimed Place of Use (outlined in yellow.) If the map incorrectly identifies your points of diversion and place of use, please mark the map to show the correct Points of Diversion and/or Place of Use and return it with your amended claim. If you have any questions, you may contact me using our toll free number, 1-800-451-4129.

Sincerely,
