SUBJECT: Palouse River Basin Adjudication Claim (PRBA) No. 87-11782

Dear Mr. Laughy,

In regards to our phone conversation on 8/12/2020, enclosed is your Amended Notice of Claim to a Water Right. Below are comments on what is amended on the claim. Everything on the Amended Claim is the same as the original claim except these highlighted sections:

- #4, Point of Diversion Location: Corrected the legal description to match the parcel number.
- #6, Use: Changed it from irrigation to domestic for year round usage typical of domestic use.
- #8, Non-Irrigation Uses: Stated it is for one home.
- #9, Place of Use Location: Corrected the legal description to match the parcel number and identified it as a domestic use.

Below are further instructions required from you:

- **#15, Red Arrow, Signature:** Both you and Karen Hendrickson sign and date the document.

By amending your claim, you are more accurately reflecting the type of usage occurring on the property. If you do not complete the amended claim form, your claim will not be accurate/complete and may be recommended as disallowed.

Review the claim for accuracy. If there are any additional changes you would like to make, cross out the incorrect information, replace it with the correct information and initial next to it. I will send you a copy of your original Notice of Claim for reference.

Please mail the completed Amended Notice of Claim back to my attention at 7600 N. Mineral Drive Suite 100, Coeur d'Alene ID 83815. If you have any questions, feel free to contact me. My telephone number is (208) 762-2810 and my email is christopher.holmes@idwr.idaho.gov.

Sincerely,

Christopher Holmes
Water Resource Agent
