Re: WATER RIGHT CLAIM 37-10998

Dear Sir:

My claim for water right #37-10998 is for uses on approximately 7 acres on the south end of my home property in lot 3 Section 28, T6S, R13 E. The water source is a small seep and spring fed creek that is separate from Stoddard Creek waters. The creek originates and flows to the Snake River on our property. The water is used for flood irrigation on approximately 5 acres during the irrigation season. By pass and winter water flow to a  $\frac{3}{4}$  acre wildlife pond near the river.

I have lived on this property since 1965, diverting the water for irrigation every year.

Enclosed is a 1946 aerial photograph showing irrigation of the property at that time. I based the priority of this use 02/03/1888 because of the irrigation development of adjacent contiguous lands with Stoddard Creed water.

If you have any questions regarding this water right, please contact me at the above address or phone 208-837-4970.

Sincerely,

N. Stanley Standal

Re: Evidence of Priority Date

**RESPONSE DEADLINE**  
**AUGUST 27, 2004**

Dear Claimants:

The Notice of Claim to a Water Right (claim) identified with the number shown above your names has been filed in the Snake River Basin Adjudication (SRBA). The claim indicates your water usage is based on "Beneficial Use" or a "Statutory Claim." Water rights of this type are established by the historic use of water, dating back to when water was first used for the purpose claimed, and are termed beneficial use rights. The date of first use, known as the priority date, has not been confirmed by a License, Decree or Permit. Since the priority date and historic use of a beneficial use right cannot be confirmed by field examination, **proof must be provided by the claimant** supporting the priority date claimed and the historic use of the water.

If you no longer own the property to which the claim is appurtenant please forward this correspondence to the present owner, or return it to Idaho Department of Water Resources (IDWR). If you have received this correspondence from the previous owner of the property it is recommended that you file a Change of Ownership form with IDWR in order to receive future mailings and to participate in the adjudication.

Enclosed you will find a computer printout of your claim and the pamphlet entitled "Evidence of Priority." The pamphlet describes the types of evidence required and suggests which documents will fulfill this requirement.

**PLEASE NOTE:** IDWR will recommend the SRBA Court decree the claim disallowed if no evidence of the priority date and of the historic use is submitted. It will be to your advantage to provide clear and convincing evidence. If you choose to submit statements from individuals as evidence, the statement should be in the form of a notarized affidavit.

Please submit the required evidence supporting the priority date and the historic use by the date shown above, referencing all documents with the corresponding claim number. If you have questions not covered by this letter or the enclosed pamphlet, please contact this office. Our toll free number is 1-800-451-4129.

Sincerely,

Carter Fritschle  
Water Rights Supervisor
