SUBJECT: Palouse River Basin Adjudication Claim (PRBA) Nos. 87-10596, 87-10598

Dear Mr. Hellinger,

I am writing to you in regards to our phone conversation on 8/13/2020. Enclosed is a map of the area that shows your ponds. In pen, please circle the pond that was constructed in October of 1954 and the pond that was constructed in October of 1970.

Also, please provide a typed/written statement that says who you are and the approximate date you constructed these two ponds. I will use this as evidence when processing your claims. According to your claims, one pond was built on 10/01/1954 and the other pond was built on 10/01/1970. **Sign and date this typed/written statement. If I do not receive this statement, I cannot finish processing your claims and they may be disallowed.**

As for the other ponds throughout your property, you should contact Luke Bates. His phone number is (208) 762-2817 and his email address is luke.bates@idwr.idaho.gov. He can get more information from you and help you file Application for Permit(s) regarding your ponds constructed after 1971.

After you have completed the required information, please mail the map and typed/written statement back to my attention at 7600 N. Mineral Drive Suite 100, Coeur d'Alene ID 83815.

If you have any questions, feel free to contact me. My telephone number is (208) 762-2810 and my email is christopher.holmes@idwr.idaho.gov.

Sincerely,

Christopher Holmes
Water Resource Agent
