SUBJECT: Palouse River Basin Adjudication Claim (PRBA) No. 87-11488, 87-11489

RESPONSE DEADLINE
DATE: SEPTEMBER 13, 2020

Dear Claimants:

Idaho Department of Water Resources (IDWR) has received and completed initial processing for your water right adjudication claim numbers 87-11488 and 87-11489.

Please contact me concerning your claim. I need to resolve several questions regarding the Point of Diversion/Well/, Place of Use, Priority Date claimed, and Original Claim forms. Your help is required before IDWR can proceed with processing your claim. **If you do not contact me, I will recommend your claims as rejected/disallowed.**

I am sending a copy of your claims. Both claims acquired by the Department are copies of the original forms and do not contain the original signatures. The Department requires the original claim forms and signatures to process your claim. If you no longer have the original forms, you both can re-sign and date these copies by the red markers and send them back to 7600 N. Mineral Dr. Suite 100, Coeur d'Alene ID 83815.

Please contact me. My telephone number is (208) 762-2810 and my email is christopher.holmes@idwr.idaho.gov.

Sincerely,

Christopher Holmes
Water Resource Agent
