RE: SRBA Claim(s) 36-02279
Water Right(s) 36-08219, 36-10493

Dear Claimant:

Please find the enclosed copy of the Notice of Completed Administrative Proceeding which the department has filed with the SRBA Court regarding claim 36-02279. You have received this notice pursuant to SRBA Court Administrative Order 11 requiring IDWR to report to the court and interested parties any pending changes to adjudication claims in basins for which a Director's Report has been filed with the court.

Enclosed you will also find a profile report of water right 36-10493 showing you as the current owner. Since this right was decreed by the SRBA court November 15, 1996, it is no longer necessary to report to them any changes of ownership.

Because water right 36-08219 was licensed November 11, 1992, it was not required to be included in the Snake River Basin Adjudication. Copies of the ownership change forms you submitted have been forwarded to the allocations staff at the state office. They will update this record and you will receive a separate notification from them when the change has been accomplished.

Please contact this office if you have any questions about the notice or the administrative process.

Sincerely,

Trish Fawcett
