RE: Ownership of Water Right Claims Numbered 87-11953 and 87-11954 Filed in the Palouse River Basin Adjudication (PRBA)

Dear Mr. Schultheis:

We have been advised that there may be an ownership change on Latah County Parcel Number RP37N05W180098 and water rights referenced above.

When a change of ownership involving a water right occurs, a Notice of Change in Water Right Ownership form is required. I have enclosed a copy of this form for your convenience and ask that you return this information, to my attention, at the address shown above.

Please note: I'm also including a copy of the claims and a map for your review. Claim number 87-11953 was claimed for stock watering purposes from an unnamed stream. I need some more information regarding this usage; such as – are the stock drinking directly from the creek or is water diverted to a stock tank? If the stock are drinking directly from the creek an instream stockwatering usage may better describe this usage, which may need an amendment to the claim.

Please return this information by **September 14, 2020**, as we're in the process of recommending these claims for court decree. If you have any questions regarding this matter, please call me at 208-762-2802, or email to linda.werner@idwr.idaho.gov.

Sincerely,

Linda A. Werner
Water Resource Agent, Sr.
