Re: Evidence of Priority Date

Dear Claimant:

**RESPONSE DEADLINE
DECEMBER 15, 2003**

The Notice of Claim to a Water Right (claim) identified with the number shown above your name has been filed in the Snake River Basin Adjudication (SRBA). The claim indicates your water usage is based on "Beneficial Use" or a "Statutory Claim." Water rights of this type are established by the historic use of water, dating back to when water was first used for the purpose claimed, and are termed beneficial use rights. The date of first use, known as the priority date, has not been confirmed by a License, Decree or Permit. Since the priority date and historic use of a beneficial use right cannot be confirmed by field examination, **proof must be provided by the claimant** supporting the priority date claimed and the historic use of the water.

If you no longer own the property to which the claim is appurtenant please forward this correspondence to the present owner, or return it to Idaho Department of Water Resources (IDWR). If you have received this correspondence from the previous owner of the property it is recommended that you file a Change of Ownership form with IDWR in order to receive future mailings and to participate in the adjudication.

Enclosed you will find a computer printout of your claim and the pamphlet entitled "Evidence of Priority." The pamphlet describes the types of evidence required and suggests which documents will fulfill this requirement.

PLEASE NOTE: IDWR will recommend the SRBA Court decree the claim disallowed if no evidence of the priority date and of the historic use is submitted. It will be to your advantage to provide clear and convincing evidence. If you choose to submit statements from individuals as evidence, the statement should be in the form of a notarized affidavit.

Please submit the required evidence supporting the priority date and the historic use by the date shown above, referencing all documents with the corresponding claim number. If you have questions not covered by this letter or the enclosed pamphlet, please contact this office. Our toll free number is 1-800-451-4129.

Sincerely,

Carter Fritschle
Water Rights Supervisor

phone call (.) walk-in (X)

She brought in her title insurance policy which I made copies of for the ownership change. After she left, I realized she had purchased the property from Alta Stover, a widow, while this claim was originally filed under the name of Ed Stover only. I tried calling Mrs. Stover to get a copy of a former tax notice or some other document showing the property in both of their names, but the number is no longer in service...

I asked her if she had started using the right and she said yes. She'd talked to her neighbors and they said they would help her hook up to the diversion. I also made a copy of the Articles of Incorporation from the Subdivision Owners' and Water Users' Association document which addresses their water rights and usages.

SUBJECT: OWNERSHIP CHANGE...

phone call (X) walk-in (.)

Said she had recently purchased the property to which this right is appurtenant from Ed and Alta Stover. I sent her an ownership change form and profile report on the right to PO Box 208, Bliss 83314 (phone - 837-6022)...

She also mentioned that as far as she knew this right hadn't been used in years. The Stover's had filed on it but decided to use a pump on the property for their irrigation instead. She said that the first day she moved in, the pump burned up so she was looking into an alternative way to irrigate. She heard there was this other right so wondered how to activate it.

According to the claim, this right is from a spring with a diversion box, ditch and flood irrigation. Someone told her the spring is about 1/8 mile from her property. I asked if there was an old ditch that may have been used in the past. She really didn't know...I told her that if a right wasn't used for five or more consecutive years, according to Idaho Code, it could be subject to forfeiture. Suggested she either ask the former owners or the neighbors about how this right is delivered...
