SUBJECT: Palouse River Basin Adjudication (PRBA) Claim No. 87-11559

RESPONSE DEADLINE
DATE: SEPTEMBER 18, 2020

Dear claimants,

Idaho Department of Water Resources (IDWR) has received your water right adjudication claim number 87-11559. After reviewing your claim, two things caught my attention:

1. Number 6: You claimed irrigation as a purpose of use. If this use occurred prior to 5/20/1971, additional evidence must be submitted. If the use occurred after 5/20/1971, filing a permit for the irrigation is required.
2. Number 2: After reviewing department resources, I found that there is a year built date on your parcel that dates back to 1922. You claimed a priority date of June 28, 2013. The priority date should reflect when water from a well was first used on the property. If a well was used before your claimed date, you can amend your claim to reflect this.

I left a voicemail on July 8, 2020 and have not heard back from you. Please contact me with your claim number readily available so we can discuss your claim. If I do not hear from you by the response deadline, your claim may be inaccurate and/or partially recommended as disallowed. My telephone number is (208) 762-2810 and my email is christopher.holmes@idwr.idaho.gov.

Sincerely,

Christopher Holmes
Water Resource Agent
