RE: Decreed Water Rights 36-^A02315A-E, 36-07399

Dear Bob;

While preparing the application for transfer on the land formerly owned by the Idaho Youth Ranch, I have discovered a problem with how these water rights have been decreed in the Snake River Basin Adjudication. While Transfer #4763 was approved in 1996 to tie all of these rights together in a permissible place of use, the decrees do not reflect this transfer. So each of the six wells was decreed separately on a small part of the farm. Before I can proceed with your proposed transfer, this error needs to be corrected. Please contact the SRBA Court in Twin Falls (253 3rd Ave. North, 736-3011) as soon as possible to request that they set aside these decrees so that they can be corrected to reflect the approved transfer. Once you contact the Court on this matter, it should take a month or so to get the corrections made.

Regards,

James E. Stanton
Sr. Water Resource Agent
