RE: Rejection of Claim based on license 87-7197

Dear Claimants:

The Department of Water Resources has received your Palouse River Basin Adjudication (PRBA) Claim. We are rejecting and returning your adjudication claim for the following reason.

The reason we are rejecting your claim is because the required claim fee was not submitted in full. The applicable fees for your claim total \$66.00, which includes a \$50 flat rate fee for a non *de minimis* claim, and variable fees of \$1 per irrigated acre (\$8 total), and \$1 per CFS for domestic diversion (\$8 total).

Also, the submitted claim form was not filled out completely and was missing the diversion rate and total quantity claimed (Sections #6 and #7). For your convenience, I have enclosed an Amended Notice of Claim to a Water Right form with all pertinent information filled in for you based upon the license you are claiming. Please review the claim form to ensure accuracy before signing, and if any corrections need to be made, cross it out and initial the changes you make. Once completed, return the signed claim form and remaining \$5.00 claim fee to our Northern Regional Office at the address listed above.

Please contact our office if you have any questions regarding this matter. Our agents can be reached by phone during business hours at 208-762-2800.

Sincerely,

Dawn R. Lenon
