SUBJECT: Palouse River Basin Adjudication Claim (PRBA) No. 87-11961

**RESPONSE DEADLINE:
SEPTEMBER 25, 2020**

Dear Mr. Brown,

In regards to our phone conversation on 8/25/2020, enclosed is your Amended Notice of Claim to a Water Right. Below are comments on what is amended on the claim. Everything on the Amended Claim is the same as the original claim except these highlighted sections:

- #2, Date of Priority: Changed it from 1/1/2020 to 1915.
- #13, Remarks: Described where the priority date came from and when the original well was replaced.

Below are further instructions required from you:

- **#15, Purple Arrow, Signature:** Both you and Sally Brown sign and date the document.

By amending your claim, you are more accurately reflecting the type of usage occurring on the property. If you do not complete the amended claim form, your claim will be recommended with the original claimed priority date.

Review the claim for accuracy. If there are any additional changes you would like to make, cross out the incorrect information, replace it with the correct information and initial next to it. I will send you a copy of your original Notice of Claim for reference.

Please mail the completed Amended Notice of Claim back to my attention at 7600 N. Mineral Drive Suite 100, Coeur d'Alene ID 83815. If you have any questions, feel free to contact me. My telephone number is (208) 762-2810 and my email is christopher.holmes@idwr.idaho.gov.

Sincerely,

Christopher Holmes
Water Resource Agent
