SUBJECT: Palouse River Basin Adjudication (PRBA) Notice of Claim to a Water Right Number 87-10116

Dear Mr. Miller or Ms. Wissner:

We're currently in the process of reviewing claims for decree in the PRBA. During our review, we noticed a discrepancy between the legal description you listed for the point of diversion (well) and the place of use.

I've enclosed a copy of your claim, and a map, for your review. Note that your property is in the NE1/4NW1/4, Section 25, T39N, R6W, but your place of use was listed as the NE1/4NE1/4 and the NW1/4NW1/4(1), Section 25, T39N, R6W. Is this correct?

If not, please amend the claim. To do so, simply cross out the old information and write in the new under item 9 - place of use. Be sure to initial and date each change that you make, and re-sign the claim on the back under item 15.

Please return this information, to my attention at the address listed above, by **September 18, 2020**. Be sure to contact me if you have any questions. I can be reached at (208) 762-2802 or by email at linda.werner@idwr.idaho.gov.

Sincerely,

Linda A. Werner
Senior Water Resource Agent
